20 Years Ago

Chrome, Firefox, and Internet Explorer didn't exist.

Amazon, Facebook, Google, Netflix, Skype, Twitter, and YouTube didn't exist.

Android, Blackberry, iPod, iPhone, iPad, and Kindle didn't exist.

Imagine your life without them!

Advances and US leadership in
information technology
have changed our lives
over the past 20 years.

Imagine what life will be like in another 20 years.

Today, you will get a peek at the future.

Thank You!
